Products that have this symbol, have been tested for this specific allergen.

MC MAY CONTAIN

These allergens are not present in the recipe, but are used on site & could result in possible cross contamination.

✓ CONTAINS / SUITABLE FOR

Indicates that the allergen is present or is suitable for selected diets.

Vegan Ice Cream Statement

As animal products are used & present in our factory (milk & cream), we have had independent testing to confirm the products stated as vegan, are indeed suitable for vegan dietary requirements.

We are a Nut Free Production Facility

Our manufacturing facility which produces our scoop, 120ml, 500ml & sorbet in Lymington, is a completely nut free environment. We have even placed a nut ban in our offices & tea rooms.
